ARTISTE

A UNIQUE, PERSONAL TRIBUTE

Of all the outstanding products that we design and handmade here in the United Kingdom, the pinnacle of the coffin-makers art is to be found in the Artiste range. As the name suggests, these coffins are highly individual.

Each one is finished by hand, so that no two coffins are exactly the same, making them uniquely appropriate for a time of personal reflection and emotion. For those who wish for the ultimate in design we are specialists in creating coffins

and caskets to clients exact requirements, in which wood, colours, names, images, and handles may be personalised to the families individual tastes and interests, resulting in a unique engraved bespoke design.
